

## **Peace of mind remote control of your business in Hong Kong and China**

Several our clients decided to return to their home countries after the outbreak of the Covid 19. How can these clients go on running their Hong Kong operations and China operations effectively without fly back to Hong Kong and China?

1. Their Chinese staff were employed by our China Services Company and our company provide full range of services including banking, accounting and taxation, administration and HR support in China.
2. Their Hong Kong companies outsourced the services of banking, accounting and taxation, administration and HR support in Hong Kong and our Hong Kong company China to Chinastar Services Limited. We provide a cost saving packaged services, including CFO controllership and advisory services, to the clients. Clients can save the expensive operating costs such office rent, electricity, MPF and pensions in Hong Kong.
3. For bank payments, we hold the secondary bank token to pay small expenses. For big payments, the payment applicants send emails for payment, after review and approve by the accountant and clients. Our accountant set up payments by internet banking and our clients approve the payments with the primary bank token by internet banking.
4. We have measures to avoid the Hong Kong Companies being deemed as the Permanent Establishment in China and in Clients' home countries.
